---

**SUPPLEMENTAL DISCLOSURE STATEMENT**

Pursuant to Rule 7.1 of the Federal Rules of Civil Procedure, Plaintiffs Advanced Cardiovascular Systems, Inc. (“ACS”) and Guidant Sales Corporation (“GSC”) file this supplemental disclosure statement to identify any parent corporation or publicly held corporation that holds a ten percent (10%) or more ownership interest in ACS or Guidant Sales Corporation.

Effective April 21, 2006, Guidant Corporation (“Guidant”) and its subsidiaries sold all right, title and interest in its vascular intervention and endovascular solutions businesses to Abbott Laboratories (“Abbott”). Thereafter, the remaining businesses of Guidant Corporation (such as the Cardiac Rhythm Management business, which sells ICDs and pacemakers), were sold to Boston Scientific Corporation (“BSC”).

As a result of these agreements, Plaintiff ACS is now a wholly-owned subsidiary of Abbott Vascular Inc., which is in turn a wholly-owned subsidiary of Abbott. While plaintiff GSC is technically a wholly-owned subsidiary of Boston Scientific Corporation (“BSC”), BSC is not an interested party in this litigation, since Abbott now owns all right, title, and interest in Guidant’s former vascular intervention business, and Abbott Labs. Inc. (an Abbott subsidiary)

specifically acquired all of GSC's causes of action and rights of recovery relating to the vascular intervention business from Guidant as part of the Guidant/Abbott Purchase Agreement.
